### **Mission Community Bank Provides Office Furniture to Local Non-Profits**

(*San Luis Obispo, CA*) Mission Community Bank opened to non-profit organizations its self-storage units full of gently worn, used and surplus office furniture on June 24. Achievement House, PathPoint, Senior Nutrition Program, SLO Alpha and Women's Shelter Services were among the non-profits which showed up with trucks and claimed chairs, desks and filing cabinets. The United Way of San Luis Obispo County assisted the bank in letting local organizations know about the opportunity.

The bank had been accumulating and storing over the last few years various pieces of unused furniture from its four branch offices, business banking center and administrative headquarters. Recently, it was decided to consolidate the bank's self-storage units, triggering an opportunity to offer the furniture items to local non-profits, for their good use.

#### **About Mission Community Bank**
